Jesus Cleanses the Temple

LOOK at the picture of the turned over table. Imagine what it would have been like – being one of the disciples, someone in the temple court, a merchant.

READ Mark 11:12-25

REFLECT

What was the point of Jesus' parable with the fig tree?

What did Jesus find in the temple?

Look up Isaiah 56:4-8. How does this passage from Isaiah help us understand what the temple court should have looked like?

Jesus should have seen fruitfulness in the people. All He found was a people that promised fruit but were just leaves.

What is the fruit that should be seen in the life of God's people?

Am I producing fruit in keeping with repentance and faith in Christ?

PRAY

Spend some time in prayer, thanking our heavenly Father for the fruit in our lives from our life in Christ. Ask God to show us where in our lives we are fruitless and ask Him to change us.
