## Jesus calms the storm

### Craft 1: Edible boats

You will need: small plum tomatoes; small peppers; cucumber; burger cheese slices; cocktail sticks; hummus or other dips.

Cut the peppers and tomatoes in half and remove the seeds. Fill the veggie boat with dip. Cut a thin slice of cucumber or burger cheese and thread onto the cocktail stick for a sail. Stick the sail into the veggie boat to secure.

We are going to find out later about the time when Jesus calmed the storm. How did he do it? Is Jesus powerful? What other things do you think he can do?

### Activity 1: Musical storms

You will need: Music

Play a game of 'Musical Storms' – when the music plays everybody should dance and move around like they are being blown about in the storm. When the music stops, they should freeze and be still like the storm in the story.

My Lighthouse – by Rend Co. Kids is a great song to play the game to as it talks about God being our peace in the storm. You can find a video with actions here which you could learn before playing the game. <https://www.youtube.com/watch?v=JeJvKkBV6rY>

## Craft 2: Origami Boat

You will need: Paper, a large bowl/bath of water

Make your own origami boat together, you might want to make some paper figures to go in it as well. Watch the video using the link below

<https://www.youtube.com/watch?v=6UtqhlDasgc>

Float the boat in a bath, sink or bowl of water. Later you will be able to re-tell the story, and make the storm by splashing the water or blowing hard at the boat. Listen out carefully for the bit in the story when Jesus tells the water to be still and stop the storm.

### Activity 2:

Search for items around the house that remind you of other people – photos of families and friends, shopping deliveries, toys, letters. Pray for the people they remind you about – friends, family, those working in shops, those working in the postal service. Pray that they would know God and be brave.

*Now watch the rest of the video.*
